Christine

"Thanks to Christian Care at Martha's House, I was able to get my own apartment. I want to say I appreciate that I was given the help I needed to become independent. I liked being able to help out around the shelter because it kept me busy & now I am better prepared to take care of my own place. Thank you very much for the food care package & supplies you sent with me to my new apartment. It's great. Yeah, things are going great."

Wake up each day
believing something
great will happen.

MARTHA'S HOUSE

Taylor

"Martha's House through Christian Care allowed me to stay sober in a safe place while i got back on my feet. I'm on track to complete the Drug Court Program in 12 months, & I couldn't have done it without a place to stay. Someday I hope to work at Martha's House myself, because I want to help other residents in the same way I have been helped. I'm sober, working, driving, stably housed, & getting right with my family. Thank you for what you do."

Whether you plant in our garden, serve in our meal site or answer our phones, we simply cannot do what we do without you!
